

TOM HARMAN
STATE SENATE, 35TH DISTRICT

Dear Neighbor:

I have eleven years of experience in the State Legislature and on the Huntington Beach City Council. I've worked hard to pass common-sense laws that will make our day-to-day life better.

I ran for office to protect our quality of life and family values - and that's how I have voted:

I Have Voted Against Illegal Immigration - it's my first priority
Voted for border police enforcement
Voted to remove taxpayer funded benefits for illegal aliens
Voted against driver's licenses for illegal aliens;

I Have Voted Against New Taxes
100% ranking by the California Taxpayers Association (2005)
Endorsed by West Orange County Taxpayers' Association;

I Have Voted For Our Environment
Voted to protect the Bolsa Chica wetlands; I oppose off-shore oil drilling;

I Have Voted For Safe Neighborhoods
Voted for laws to make sure children are protected from gangs or drugs at school
Voted to increase penalties for violent criminals and sexual predators;

Special interests and political insiders don't like me very much. I don't mind. I figure I work for you, the voters, not for them.

You see, I'm not a professional politician. I don't like back-room deals. I'm retired from my business. I just want to do what's right for you.

If you have questions, please call me at (714) 840-1681. If my wife Dianne answers, ask for me.

Tom Harman

P.S. I urge you to look at my qualifications. When you vote, remember this, experience counts!
